On the Course with Doyle

A new year has arrived and we look forward to another successful year at the Country Club. It kind of felt like that last year the golf course had more than its fair share of hurdles to overcome. The irrigation troubles and a dreaded hurricane passing through seemed to keep trying our patience throughout the year. Through perseverance we rebounded successfully and hopefully this year we can avoid issues such as these and continue improving upon this great golf course.

We have reached the point that the Bermuda grass is no longer growing which inhibits its ability to heal therefore it is crucial to avoid any undue stresses to the turf. Please keep golf carts a reasonable distance from greens so that the already thinning turf does not become void of turf which will result in poor lies around the greens. Please use cart paths as much as possible to spare the rough and fairways as well. Ball marks on greens also do not heal rapidly thus creating imperfections on the greens. Please pay special attention when repairing ball marks so that the surface remains true. Divots on fairway do not heal at all so please fill the divot with an adequate amount of sand so that in the spring when the divot heals it will be even with the surrounding turf. If you do not have sand please return any or all of the grass to the divot if possible.

This month we will focus on tree trimming, leaf removal, and any other plant trimming which is normally done this time of year. Also this month any poa annua that was not controlled with the pre-emergent application will be sprayed which may result in a particular nine being closed in the afternoon hours.

Happy New Year
Doyle Worthington Jr.

Straight from Carl's Desk

I hope everyone enjoyed their holiday season and hope that you are ready for a new year. We are looking forward to a great 2018 here at The Country Club. As always our goal is to continue to improve The Country Club as much as possible.

We have one outing that will affect tee times. The Chamber of Commerce Tournament on Friday, January 26th will cause the course to be closed from 12:30 to 5:30.

Please help Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or using Carl Bucks, please wait in line to make sure the pro shop attendant records it properly. A lot of times it is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you decide to walk to play your round of golf and did not pay for a cart, please do not ride in the cart with someone else. If we see you riding in the cart, we will charge your account the cart fee. We thank you for your understanding and cooperation.

Have you been a member for at least a year and want a \$50 credit on your account? We have given about 150 members this credit already! All we need is a credit card number to pay your account balance on the first of each month and an e-mail address for you to receive your statement and newsletter by e-mail only. Then you will receive \$50 credit. Please let us know!

We need your help! Please drive the carts using the 90 Degree Rule. More importantly please keep the carts off the green slopes as much as possible. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. We thank you for your cooperation.

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
