On the Course with Doyle

The first few weeks of October did not feel like Fall weather at all, and then we spread the seed on greens and the climate abruptly changed. The cooler/cold temperatures have proven to be challenging for the seed to germinate in a timely manner but the good news is that the forecast for early November will bring some much improved germination temperatures and we can get the greens cut soon.

The seed germination is not the only problem with the cooler temperatures last month. The Bermuda grass has drastically reduced its growth. This is where it becomes very important to avoid as much stress as possible to the plant. Everyone could contribute by avoiding cart traffic on Bermuda grass areas as much as possible. There were several places where the turf became severely stressed earlier this year due to the irrigation troubles we had and any additional stress would only hinder our spring recovery. On behalf of the entire maintenance staff we hope everyone has a wonderful Thanksgiving.

Straight from Carl's Desk

We only have 1 tournament this month, the Club Championship will have some affect on the tee sheet for Saturday and Sunday, November 4th and 5th. Please check with the pro shop for more details. We apologize for any inconvenience.

It is strongly encouraged to make a tee time before coming out to play. Just because you play every Thursday at 8:30 does not mean that you will be able to play at that time. We apologize for any inconvenience this might cause you.

Please help Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or using Carl Bucks, please wait in line to make sure the pro shop attendant records it properly. A lot of times it is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

Have you been a member for at least a year and want a \$50 credit on your account? We have given about 150 members this credit already! All we need is a credit card number to pay your account balance on the first of each month and an e-mail address for you to receive your statement and newsletter by e-mail only. Then you will receive \$50 credit. Please let us know!

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
