On the Course with Doyle

Many golf courses around the state suffered significant damage last month due to Hurricane Irma. Whether it was extreme tree damage or significant flooding the impact was felt statewide due to this massive storm. Fortunately our damage to course was not major and Lake Harris did not reach a high enough level to flood part of the course.

We have reached the overseeding month again and we will begin to make normal preparations to get ready for the fall/winter season. We will be overseeding greens on the 23rd and 24th weather permitting.

Happy Halloween
Doyle Worthington Jr.

Straight from Carl's Desk

We only have 1 outing this month, the Lake City Open will cause limited tee times on Sunday, October 22nd. Please check with the pro shop as to availability as we get closer to the date. We apologize for any inconvenience.

It is strongly encouraged to make a tee time before coming out to play. Just because you play every Thursday at 8:30 does not mean that you will be able to play at that time. We apologize for any inconvenience this might cause you.

Please help Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or using Carl Bucks, please wait in line to make sure the pro shop attendant records it properly. A lot of times it is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

Have you been a member for at least a year and want a \$50 credit on your account? We have given about 150 members this credit already! All we need is a credit card number to pay your account balance on the first of each month and an e-mail address for you to receive your statement and newsletter by e-mail only. Then you will receive \$50 credit. Please let us know!

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
