The Lake City Open

The Lake City Open will be making a come back. For the thirty-third year Quail Heights and The Country Club at Lake City are pleased to host The Lake City Open. The tournament will be played on Saturday and Sunday, October 21st and 22nd. The first round will be played at Quail Heights and the final round will be played at The Country Club. Flyers and entry forms will come out soon. Who will win? Mark your calendar now!

We Want You!

We want you to become Membership recruiters! For every member you sign up, you will receive \$100 in credits on your account. The new member will not have to pay an initiation fee when they put a credit card on file and at the end of their first year, they will receive a \$50 credit on their account. If you have any questions, please don't hesitate to call Carl or Jordan for all the details. If your prospective new member will like to play a round to try the course out, feel free to call Carl or Jordan to set it up. We thank you in advance for signing up new members for The Country Club!

On the Course with Doyle

We have finally made it over the hump of summer. I am sure looking forward to some cooler temperatures. The high heat mixed with some wet conditions along the way made for more than ideal conditions for disease development over the past two months. The greens were the main issue over the summer making it difficult to stay on a good growth regulator schedule especially due to the irrigation problems. They had leaf spot issues as well as brown patch issues causing us to apply additional fungicides therefore having to decrease the frequency and the rates of plant growth regulators. Mix in some localized dry spots and it has become a true juggling act. We are treating these disease issues with aggressive fungicide treatments so that can get these diseases under control. Another problem that was encountered last month is the presence of higher numbers in the mole cricket population. We had several different hatch periods this year. Mix that with this pests' ability to develop somewhat of a resistance to certain pesticides and we are left with many of these pests wreaking havoc on the course. We have begun to retreat areas where the mole crickets are at unacceptable levels. We will continue to treat until we have them back under control.

Straight from Carl's Desk

We only have 2 outings this month, the PCERA will close the course until 1:00 on Saturday, September 9th and The Two-Man will have limited tee times on Saturday and Sunday, September 23rd and 24th. We apologize for any inconvenience.

It is strongly encouraged to make a tee time before coming out to play. Just because you play every Thursday at 10:00 does not mean that you will be able to play at that time. We apologize for any inconvenience this might cause you.

Please help Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or using Carl Bucks, please wait in line to make sure the pro shop attendant records it properly. A lot of times it is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

Have you been a member for at least a year and want a \$50 credit on your account? We have given about 150 members this credit already! All we need is a credit card number to pay your account balance on the first of each month and an e-mail address for you to receive your statement and newsletter by e-mail only. Then you will receive \$50 credit. Please let us know!

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
