Call for a Tee Time

On the Course with Doyle

Finally, the fall weather has arrived and with the turf being at a slowed growth state it now is imperative to avoid as many undue stresses as possible. Cart traffic control being probably the most important therefore we kindly ask for everyone to avoid driving in fairways and on green/tee surrounds as much as possible. Please use available cart paths and for holes without paths please use the 90 degree rule. These efforts will help spare the turf from any unnecessary damage which will provide a better playable surface throughout the fall/winter months.

On the 2nd and 3rd of the month we will be overseeding greens with only temporary closings. During the germination process we will be watering as frequently as possible to maintain adequate seed moisture without interfering with play. The majority will be at night and early morning with some brief syringing throughout the daytime hours. We will also be overseeding tees and collars this year and irrigation practices will be the same as mentioned above. Thank you and have a great Thanksgiving.

Please Call Ahead for a Tee Time

Straight from Carl's Desk

We want you to know that we appreciate all of our members and guests for their continued support of The Country Club.

We don't have any outings this month that will affect tee times. But please remember to call ahead for a tee time if you plan on playing golf.

We need your help. We are allowed to have two players per cart once again. We know everyone has enjoyed being able to ride in a cart by yourself, but we will require everyone to ride with someone. Unfortunately, the golf course does not like it. Golf carts do more damage to the course than anything else. If you elect to ride by your self, you will have to pay the single rider surcharge of \$5. We need to reduce the amount of carts on the course, for gas usage and wear on the carts and the course as well. Thank you for your help, understanding and cooperation.

Please help Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Golf cart traffic causes more damage than anything else on a golf course. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
