We would like to thank everyone for their continued support of The Country Club over the years. We ask everyone to give us the opportunity to earn more of their business for golf merchandise you plan on buying or food and drinks in the restaurant. On the Course with Doyle

As Winter is now a distant memory and Spring has begun, we are starting to see many improvements in turfgrass vigor all throughout the course. The pre-emergent/fertilizer was successfully applied last month resulting in a nice green up. The cool mornings still have the soil temperatures a little on the low side for the Bermuda grass which will continue to suppress growth. The fertilizer that was used will continue to feed the turf for the next month and half therefore the turf will continue to improve as soil temperatures continue to rise. Our next pre-emergent application will be made in May and continue our efforts to rid the course of Goosegrass.

The mole cricket battle is far from over but we have successfully reduced the number and we will continue to hold them off and hopefully lower the amount of eggs that can be laid. Our plan at this point is to use a pesticide in May that works well on newly hatched mole crickets therefore reducing the numbers even further. Thank you and have a great month.

Straight from Carl's Desk

We have the Lions Club Golf Tournament that will close the golf course until 1:30 PM on Saturday, April 17th. We apologize in advance for any inconvenience this might cause you. As always, it is strongly recommended to make a tee time before coming out to play, just because you play every Thursday at 10:00 does not mean that you will be able to play at that time.

We need your help. We are allowed to have two players per cart once again. We know everyone has enjoyed being able to ride in a cart by yourself, but we will require everyone to ride with someone. Unfortunately, the golf course does not like it. Golf carts do more damage to the course than anything else. **If you elect to ride by yourself, you will have to pay the single rider surcharge of \$5. If we see you riding by yourself when you could have rode with someone else, we will charge you the single rider fee of \$5 on your account.** We need to reduce the amount of carts on the course, for gas usage and wear on the carts and the course as well. Thank you for your help, understanding and cooperation.

Please help Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Golf cart traffic causes more damage than anything else on a golf course. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
