On the Course with Doyle

I normally do not consider the weather in September to influence vigorous turf growing conditions but last month was sure an exception. We had some extra time to promote some more root and shoot growth to hopefully help the turf sustain the colder temperatures ahead. With the warmer temperatures still lingering this month we have yet to set a date for overseeding. I prefer a warmer climate for seed germination but not at the risk of seedling death due to high temperatures. We may opt to wait until the first week of November to overseed greens. Preparations for overseeding such as pre-emergent applications will still take place this month. As always please continue with ideal cart driving habits for the health of the turf. Thank you and Happy Halloween.

Straight from Carl's Desk

We have five outings that affect tee times this month. We have the NERA on October 6th that will close the course until 1:00 PM. Then we have Gator League on October 9th, Districts on October 16th, The Rountree on October 20th-21st and Regionals on October 23 that will cause limited tee time availability on those mornings. We apologize for any inconvenience and we thank you in advance for your understanding.

The Rountree is set for Saturday and Sunday, October 20th and 21st. If you are interested in being a sponsor and on The Rountree Board in front of the pro shop, please me a call.

It is strongly encouraged to make a tee time before coming out to play. Just because you play every Thursday at 10:00 does not mean that you will be able to play at that time. We apologize for any inconvenience this might cause you.

Please help Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
