On the Course with Doyle

Happy New Year. After a wonderful holiday I look forward to a brand new year. A opportunity to continue to improve upon the course. Last year we corrected significant damage during the growing season which has left us better prepared for the rest of winter as well as a head start with spring transition as opposed to last year. If the winter weather continues to be moderately warm, I believe we will far ahead throughout the rest of the year. Everyone has contributed to this greatly by improving upon golf cart driving habits and this is appreciated tremendously by us and the turf.

This month we will continue to chase leaves around and keep them removed as much as possible. The main item on the agenda for this month is irrigation repair. We begin repairing leaking sprinkler heads and valves as well as relocating some sprinkler heads for more optimized coverage. Lastly, we continue to treat the course for poa annua control. Due to the weather last month there was very little spraying done so we will be working diligently to finish this project. Thank you and have a great month.

Please Call Ahead for Tee Times

Straight from Carl's Desk

I hope everyone enjoyed their holiday season and hope that you are ready for a new year. We are looking forward to a great 2019 at The Country Club. Our goal is to improve The Country Club as much as possible.

We have one outing that will affect tee times. The Chamber of Commerce Tournament on Friday, January 25th will cause the course to be closed from 12:30 to 5:30.

It is strongly encouraged to make a tee time before coming out to play. Just because you play every Thursday at 10:00 does not mean that you will be able to play. We apologize for any inconvenience this might cause you.

Thank you for helping Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Please keep up the good work. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
