# On the Course with Doyle

High temperatures and an extreme lack of rainfall resulted in very difficult growing conditions last month. Since our irrigation system is only a single row design, the edges of several fairways suffered significantly as well as some of the green and tee surrounds. We had initially planned to aerate fairways last month but with the undesirable weather forecast we decided to postpone this until the chance of rain increases which will hopefully be this month.

On the 3<sup>rd</sup> and 4<sup>th</sup> of this month we will be aerating greens. We only plan on doing 9 holes each day however we may try to do more the first day due to the overall green size being smaller on the front nine. The week following the greens we hope to start on fairways if the rainfall chances improve. Worst case is that we will focus on fairways that are adequately irrigated first and move to others as rain becomes more apparent.

During adverse weather conditions like we had last month please keep carts out of these stressed areas as much as possible. Please use the 90 degree rule as much as possible. Thank you for your help with this during these tough times.

# **Straight from Carl's Desk**

We have two outings that will affect tee times this month. We have the CYFA on Saturday, June 22nd that will close the course until 1:30 and the Gainesville Junior Tour on Monday, July 1st that will affect tee times. We apologize in advance for any inconvenience this might cause you.

The pool is open and for members only. We are a private pool, not a public pool. Family Membership is you, your significant other, dependent kids and grand kids. Single is just you. Memberships are available for non-members for \$550 plus tax. Thanks for your cooperation.

We will have some specials for Wednesday Night Dinners. On June 5th we will have 7 oz Sirloin for \$11.95 and on June 12th we will have 1/2 Slab of Ribs for \$11.95. We ask that you make reservations. Please call 386-752-0721 ext 14 for more information and to make reservations. Look forward to seeing you there!

If you plan on playing golf, please call ahead for a tee time. Just because you play every Thursday at 10:00 does not mean that you will be able to play.

Thank you for helping Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Please keep up the good work. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
