On the Course with Doyle

Happy New Year. After a wonderful holiday I look forward to a new year with a refreshed opportunity to continue to improve upon the course. Last year we made it through the summer months without any significant damage that can occur such as drought, insects or even disease which has left us better prepared for the rest of winter as well as a head start with spring transition as opposed to years past. If the winter weather continues to be moderately warm, I believe we will be ahead throughout the rest of the year. Everyone has contributed to improved turf health greatly with better golf cart driving habits and this is appreciated tremendously by us and the turf.

This month we will continue to chase leaves around and keep them removed as often as possible. The main item on the agenda for this month is irrigation repair. We continue repairing leaking sprinkler heads and valves as well as relocating some sprinkler heads for more optimized coverage. Lastly, we will continue to treat the course for poa annua. Due to some rather windy weather last month there was very little spraying done so we will be working diligently to finish this project. Thank you and have a great month.

Straight from Carl's Desk

I hope everyone enjoyed their holiday season and hope that you are ready for a new year. We are looking forward to a great 2020 at The Country Club. Our goal is to improve The Country Club at Lake City as much as possible.

We don't have any events that will affect tee times this month. If you plan on playing golf, please call ahead for a tee time. Just because you play every Thursday at 10:00 does not mean that you will be able to play.

Thank you for helping Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Please keep up the good work. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or with Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
